ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

The Waterloo housing authority has prepared an annual plan in compliance with section 511 of the quality housing and work responsibility act of 1998 and the ensuing HUD requirements. As stated in PIH 99-51 issued December 14, 1999, for public housing authorities with fiscal year ends on or after July 1, 2000, HUD: "will issue guidance, templates and certifications necessary for completion of their plans under a final rule in a subsequent notice." The Waterloo Housing Authority was founded to provide adequate decent, safe and affordable housing to lower income people using subsidy assistance from the U.S. Department of Housing and Urban Development and other funds made available for such purposes. The program has grown from 50 units of section -8 funding awarded to Waterloo in 1977, to 1026 units today. New, HUD rules, guidelines and directives have been issued with the new HUD reform, which mandate changes in the operation of all housing authorities.

Comments for the Public Housing Plan - Guide to Policy and Procedures

1. Do you have suggestions for improvements in the public housing program ?

Yes - Our apartments get too hot and the heat can't be regulated. We were told that we couldn't shut the heaters off because they are too old. We should open the windows. The third floor gets so hot that you can't breathe. Someone complained of getting a rash from the heat.

They would like a thermostat or new heaters. Young's told them that the heaters are too old to correct the problem.

2. What do you like about the program?

The apartments are very effecient, quiet and good security. Sometimes the back door is not shut tight and the buzzer needs to be repaired. You have to pull very hard on the door to get it to shut. The reason for that is due to the snow and ice build up and the cement heaving.

It s also not shoveled very good by the the back door.

The light out in front of the building is out.

Liz wheelchair gets stuck on the sidewalk because of ice and cement heaving.

The tenants feel that the parking lot is not shoveled soon enough after a snow storm. A couple of the ladies had to do it the last time we had a storm.

Not all of the sidewalks are shoveled.

Tenants thought a cross walk to go the bank on Ridgeway would be nice. They also said they had asked the City before and was told the City didn t have enough money to provide this.

Liz complained that people park too close to the sidewalk and she can t get through to the sidewalk. She said when she complains to the drivers, they don t listen to her. She can t get to the bus when cars are in the way.

Tracy - Regarding the heat: My mom came over and said this apartment is too hot. You're going to get sick. One time she couldn't get the heat to come on, but the air came on instead, she told her mom, it was not her fault.

Back hall has a lot of junk. They're afraid this will attract rodents. (Ethel and Gladys looked in the back hallway. There is an iron board against the wall, a step stool folded against the wall and two grills that the tenants use)

The automatic doors doesn't always work properly. Once the door opens, it stays open until you jerk it to pull it shut.

3. What negatives have you heard about the program?

Jerry - Charlie is spread too far and the City can't afford to hire another person.
The Housing Authority must have record of the complaints that are being made, therefore you should call the office and a work order will be written up for you.

Liz - The women's public restroom is not handicapped accessible for wheelchairs. Tenant - The public restrooms need soap.

There are problems with the security cameras on the third floor.

Tenant - Someone should be hired to oversee the building to catch the thieves.

Jenny talked about the building she lived in Minneapolis that had on site security guard

Tenant - They need a bigger dumpster, preferably one with doors, as the dumpster that s there is too high.

(Ethel and Gladys looked at the dumpster - there are doors on the dumpster)

The light out back by the dumpster is out - needs to be replaced.

Jim Webber wants a handicapped accessible unit when one is available.

Jerry had a complaint about his window. He has to use a 2x4 to hold window. He has to adjust the window. It keeps falling down. He said the window never operated correctly.

Ethel thanked the Residents for attending the meeting.

The Residents thanked Ethel for this type of meeting and letting them voice their concerns.

Notes taken by Gladys Rainey

Housing Coordinator

Responses to tenants concerns:

- 1) Do you have suggestions for improvement?
The heaters they get too hot,
The Director and maintenance will set up a mini workshop to give the tenants instruction on operating the controls.
- 2) The sidewalk is not shoveled well
Waterloo Housing Authority bought liquid salt to take care of the sidewalk and driveway. This seems to be taking care of the problem.
- 3) Tenants want a crosswalk to go to the bank on Ridgeway.
They mention asking the city before and were told the city did not have the funds to provide the crosswalk.
- 5) Jim Webber wants a handicapped unit; Jim's name was put on the waiting list for a handicapped unit as soon as one becomes available.

Meeting adjourned at 11:00AM

3. PUBLIC HOUSING STRATEGY

The Waterloo Housing Authority is a quasi-political subdivision of the state of Iowa. The city of waterloo oversees the work of the waterloo housing authority. (The city council for the city of waterloo services as the authority board or commissioners)

The authority's goal is to facilitate the gradual upgrading of the existing rental housing stock in the community and the availability of decent, safe and sanitary housing at affordable rent l rates to very low-income families. It is the authority's policy to assist families in private units through Section 8 assistance, rather than build additional public housing units.

The authority's participation is predicated on the belief that the program will encourage and promote better housing and economic conditions for very low-income families residing within the city of Waterloo. Because of the rental assistance provided by the program, the individual families economic situation will be improved by allowing a reallocation of financial resources from housing to other necessary expenses that must be met.

It is believed that the program provides adequate incentives for private owners of existing rental dwelling units in the city of waterloo to maintain and or upgrade their rental units to comply with the US Department Of Housing And Urban Development "Housing Quality Standards" in order to participate in the program.

The WATERLOO HOUSING AUTHORITY will:

- 1) Manage and administer housing programs consistent with local, state and federal law.
- 2) Improve and maintain the existing affordable housing stock
- 3) Generate and maintain board based financial, staff and community support for affordable housing programs such as CHSP, HOPE for the elderly independence FSS, Mainstream, and Welfare to work.
- 4) Plan and develop new housing assistance programs for target populations
- 5) Evaluate ongoing housing programs in order to improve service delivery
- 6) Advocate or initiate social service programs that encourage resident empowerment, independent living and self sufficiency;

DATE: **January 26, 2001**

TO: **SECTION 8 RESIDENT ADVISORY BOARD MEMBER**

MEETING NOTICE

WHERE: **Waterloo Housing Authority
Second Floor Conference Room
620 Mulberry Street
Waterloo, IA**

WHEN: **Tuesday, February 6, 2001**

TIME: **3:00-5:00 PM**

Table Library

PURPOSE: Discussion of the Section 8 Housing Program's mission and to get your input. The Authority needs to know how the housing needs of low income families or the disabled are being met now, what areas have improvements that could be made and your priorities for types of housing programs the authority should be looking into in the next years. This discussion will be used to shape the Comprehensive Agency Annual.

Issues to think about are a) how do people find out about the program and should it be advertised more, b) what could be done to make it easier for persons to apply for programs such as Family Self Sufficiency, c) should the Authority continue in the area of self sufficiency programs or should the priority change to assisting the homeless, homeownership programs, or creating more rental housing, etc. 4) should admission preferences be given to local residents, veterans, or remain first come first serve and 5) in the area of termination for violent criminal or drug activity should the time denied for Section 8 be decreased from 5 years to 3 or stay at 5? If the discussion goes well, the meeting may possibly end earlier than indicated above. However, if as a group, it may be determined that another meeting is needed, a second meeting will be scheduled.

Thank you for your willingness to participate in this process.

ANNUAL AUDIT

In compliance with the instructions of the Interim Rule on preparing the PHA Plan (published in the Federal Register), our annual audit is not being submitted with this document because HUD has already received a copy of the audit. The Waterloo Housing Authority is audited with the City of Waterloo under the Single Audit Act. If anyone wants to view the annual audit of the City of Waterloo including the Waterloo Housing Authority, they can do so by coming to our office during normal working hours and requesting to see it.
